Administrative Procedure - Seeking Permission to Copy or Use Copyrighted Works

The following resources are a partial list of where to begin searching for permission to copy or use copyrighted work. Whenever it is unclear who the owner is, or if the owner is a legal entity of some kind (a business or organization), be sure that the person granting permission is authorized to do so. Once it is known whom to ask, initiate contact by writing a letter, calling, or emailing. Seek written permission that clearly describes its scope. Document the receipt of an oral permission and send the owner a confirming letter or email. A copyright protects materials regardless of whether the owner cares about protection or not. Thus, if required permission cannot be obtained, the work may not be used.
