Waiver for Field Trips

This waiver allows a district teacher, sponsor or chaperon to send text messages to students during a field trip. The district teacher, sponsor or chaperon can also receive text messages from students participating in the field trip.

A waiver is to be signed by all district teachers, sponsors or chaperons for a field trip. A parent of each participating student should also sign a waiver granting permission for the student to receive and send text messages during a field trip. A separate waiver is required for each field trip.
