

About Us

The 182d Airlift Wing is a premier Air National Guard unit operating from modern facilities at the General Wayne A. Downing Peoria International Airport.

We're offering you an unbeatable part-time job—Paid tuition, money for expense each month and resume building experience you can use to compete for jobs once you're out of school.

There are more than 100 career fields you can get experience in - you pick the job that is right for you!!!

To qualify for these benefits, we ask that you simply come out and work with us at least one weekend a month and 15 days a year.

Tuition

Your Tuition...It's on us!!!

We'll pay 100% of your tuition for four years of full time attendance or equivalent part-time attendance at any Illinois state supported university, college, or community college—more than 50 to choose from.

(does not cover room and board, books or additional fees)

Use the scholarship for undergraduate, graduate, professional programs or any combination thereof.

Eligibility Requirements

- One year of membership
- Meet all necessary academic entrance requirements at your school of choice.
- If you cease to be a member of the Illinois Air National Guard, your education benefits will be terminated. You would be responsible for payment of the remaining tuition and fees.

Cash

We'll put over \$500 in your pocket each month!

The Montgomery G.I. Bill could entitle you to cash payments for 36 academic months (months in which you are taking credited coursework). Add this to your monthly weekend pay and you could make more than \$500 each month. The G.I. Bill rate of pay is dependent on your academic course load.

Eligibility Requirements

- High School Diploma or GED
- Six year enlistment
- Completion of Basic Military and Technical Training
- Continue to be a satisfactory participant in the Air National Guard and make satisfactory scholastic progress
- Attend a VA approved institution of higher learning
- Entitlement expires ten years from the date you become eligible, or you use all 36 academic months.

Training

You will attend one of our Air Force technical training schools to learn your job. They're state-of-the-art and highly recognized.

After technical training school, you'll continue building new skills through on the job training. We will also enroll you in a series of AF career development courses designed specifically to help you become more proficient and successful in your part time career with us.

College Credit

Some of our technical training schools will award you with 4-30 semester hours on your transcript before you even start college!

Get an associates degree through the Community College of the Air Force. Ask us about it.
