What is a 'teacher assigned lesson'?

- Join the in-person class through Google Meet
- Modules/Mini-Lessons completed in Canvas
- Reading/Notes to prepare for next lesson
- Complete pre-recorded lessons
- Other tasks that can be completed offsite

Remote/Offsite Student Attendance

- Any remote/offsite student is expected to check in with their classes DAILY during their scheduled class time!
- Most teachers are using a Google Form to check in for attendance. Although remote or offsite, students can be marked absent if they do not check in or do not participate in class for a day.

Breakfast/Lunch?

- Just a reminder that breakfast and lunch are available when students are onsite. Lunches are currently free through the end of December.
- Please fill out weekly form if you would like lunch on offsite/remote days.

Expansion of On-Site Learning

- First week of in-person learning went well!
- Goals/Target Dates For Increasing Students:**
 - October 6: Seniors** return to in-person learning Tuesday through Friday
 - Gives time for SAT Prep (**SAT is October 14**) and develop safety routines
 - October 13: All Grades** resume in-person learning Tuesday through Friday
 - Teachers will use next two weeks to prepare classroom for social distancing and to prepare for other appropriate safety measures
 - FHS has many classes that have a mix of freshmen through seniors. Multiple grades in many classes makes bringing back individual grades more difficult. Administration and staff felt bringing all students back on 10/13 would be a smoother transition.
- More information will be sent out next week!
