

MAKE A DIFFERENCE IN YOUR COMMUNITY WITH A CAREER IN HEALTHCARE

Start your journey with Eastern Iowa Community Colleges'

Healthcare Academy

HEALTHCARE IS...

- ▶ Diagnosis, treatment, and prevention
- ▶ Always evolving
- ▶ In-demand
- ▶ Fast-paced and exciting

CAREERS IN HEALTHCARE

Certified Nursing Aide

Provide basic care for patients in hospitals and residents of long-term care facilities, such as nursing homes.

Dental Assistant

Help the dentist at chairside and perform functions such as polishing teeth, taking and developing dental radiographs, mixing materials, and sterilizing instruments.

Diagnostic Medical/Cardiac Sonographer

Use medical ultrasound techniques to gather sonographic data used by physicians to diagnose a variety of conditions and diseases.

Emergency Medical Technician/Paramedic

Care for the sick or injured in emergency medical settings, performing life-saving care and transporting patients to medical facilities.

Health Information Management

Compile data for medical-related agencies, determine how that data is compiled, and report findings to insurance companies, government agencies, and others for reimbursement, research, and quality monitoring.

HEALTHCARE CAREERS PROVIDE...

- ▶ Vast career opportunities
- ▶ Great job satisfaction
- ▶ Competitive salaries
- ▶ Job security

Medical Assistant

Play an important role in patient care, performing administrative and clinical duties, in a wide variety of medical facilities.

Home Care Aide/Medication Aide

Help people who are disabled, chronically ill, or cognitively impaired.

Nurse

Coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their family members.

Phlebotomy

Work in hospitals, clinics, or other medical facilities, drawing blood from patients in preparation for medical testing.

Radiologic Technology

Use radiation to make images of internal organs of the body, which aid radiologists in diagnosing a patient's illness or injury.

Veterinary Technician

Provide nursing care for animals and assist in laboratory and clinical procedures.
