

## **Community Relations**

### **Use of Buses**

The Administration is authorized to allow local not-for-profit organizations to utilize a River Bend School District bus. Such use shall be on an occasional basis. Payment shall be determined in accordance with established rates and paid in the form of a donation.

The Administration will consider each case on its own merits. This Policy in no way infers that any given use will be granted. In granting its approval, the District shall take into consideration factors such as, but not limited to:

1. The number of times such requests have been made.
2. The nature of the trip and the destination of the trip.
3. Past experiences with the group.
4. Any impact on the School District.
