ISSUE

MEASURE AND GOALS

ACTION PLANS

EDUCATIONAL EXCELLENCE

River Bend CUSD #2 will hire, support and train motivated faculty who provide the best education possible to each student within a safe, supportive and welcoming setting.

- A. 100% of the students will demonstrate academic growth based on the New Illinois Learning Standards as measured by the PARCC exam by 2017.
- B. River Bend Students will reach 70% on college readiness and will maintain a graduation rate of 95%.
- C. Provide 40 hours of professional development to faculty on an annual basis.
- D. Incorporate 1:1 technology initiative by 2016 in grades K-12.
- E. Identify, develop and purchase curriculum that provides students with 21st century problem solving, team work, and technology skills.
- F. Increase the number of students reaching academic and behavioral RTI goals.
- G. Annually evaluate results from 5Essentials Survey to improve school and district climate.

- A. Align curriculum to IL Learning standards and develop a cohesive curriculum scope preK-12.
- B. FHS staff will develop and evaluate curriculum that supports college readiness standards.
- C. Work with district improvement team to annually plan and implement professional development goals.
- D. The technology committee will research, review and write a 1:1 technology plan incorporating grades preK-12.
- E. School improvement teams will annually review, identify, recommend and infuse 21st century skills into the curriculum.
- F. School improvement teams will annually review data on the number of students being served and the success of academic/behavioral programming.
- G. Provide survey results to parents and community members.

FISCAL AND FACILITIES MANAGEMENT

River Bend CUSD #2 will maintain a healthy, equitable, continual plan for fiscal and facility management.

- A. Provide facilities that are accessible and safe to all stakeholders.
- B. Review and maintain a fiscally responsible budget given resources available.
- C. Identify facility improvements to enhance educational experiences.

- A. Facilities committee will annually update building usage plans to meet the needs of students.
- B. Monitor and report revenue/expenditures through the financial committee, school website and newspaper articles.
- C. Develop a short and long term facility plan that prioritizes building and student needs.

COMMUNICATION COMMUNITY INVOLVEMENT

River Bend CUSD #2 will work to increase community support through student, parent, teacher and community member involvement and work to maintain productive and interactive communication with all stakeholders.

- A. Annually increase volunteer opportunities at each building.
- B. Annually increase overall satisfaction with communication efforts.
- C. Annually present “State of the Schools” address to all stakeholders.

- A. Promote volunteer opportunities through district website, community outreach, and newsletters.
- B. Provide stakeholders with a communication satisfaction survey.
- C. Invite parents, staff, community members and city officials to annual “State of the Schools” community engagement night highlighting the past, present and future of the River Bend Schools.
