RE: Bid for gym door replacements

Subject: River Bend Schools is seeking bids for Health, Life, Safety work to replace gym doors in the following buildings:

All doors need to meet current school code and be rated 45 for minutes. Wire glass cannot be used. Vision lite opens roughly 5" by 30". Hardware on doors shall consist of keyed removable mullions, continuous hinges, exit devices, kick plates and cylinders. Doors need to be wood. Please determine cost based on school building and overall total cost. Prevailing wage is required. The following map can be used to help located each entrance. Contact Gary Wolfe at 563-212-4171 with questions. Bids will be due ____
