

River Bend Parents, Teachers, Staff

The **River Bend Athletic Boosters** participates in a Fundraising Program that will **COST YOU NOTHING and will SAVE YOU \$\$\$\$**

The **RaiseRight Program** is a fundraiser that **doesn't cost you anything** more than you are already spending. Purchase RaiseRight cards (store gift cards) through the boosters or on the app before buying your weekly/monthly groceries, gas, clothing, gifts, etc. Over 700 nationwide retailers participate, and we have several local retailers who are joining our list. Each vendor has a percentage that they are willing to offer as a rebate for our group. They even run specials with higher percentages at times. The easiest and most convenient way for all parties is to purchase ecards through the app. You can then use those immediately as you check out at the store register through the app wallet. It is really **THAT EASY!**

Boosters will give YOU half of any \$\$ earned. Checks written in July to use for registration, activity fees or however you wish.

This is a monthly scenario for your family:

RETAILERS	CARDS PURCHASED	% EARNED BY BOOSTERS	CASH VALUE
Wal-Mart	\$400	2.5%	10.00
Kwik Star Gas	\$150	4%	6.00
Walgreens	\$60	5%	3.00
Manny's Too	\$60	10%	6.00
Fulton Meat Locker	\$50	5%	2.50
Dairy Queen	\$20	6.5%	1.30
Jersey Mike's Subs	\$10	6%	.60
Total	\$690		\$29.40**

****Total rebate for this month from this family is \$29.40**

Boosters would then set aside \$14.70 (half of the rebate earned) in **YOUR** name.

In one year's time, **YOUR** family, with just those 7 cards each month, will have accumulated **\$176.40** (\$14.70 x 12). THAT money would be given to **YOU** by check in July yearly . Think about the stores you shop at, & the amount of money you usually spend.

RaiseRight is not just for the retailers listed above that you may use frequently. There are over 700 retailers included in the program PLUS local businesses who are on board with us. Here are a couple of things to think about---

- Are you planning a trip? You could purchase cards ahead of time for gas, hotels, & activities?
- Think of large retail purchases you make during the year at places like Home Depot, Amazon.com, Best Buy, Dick's Sporting Goods or even locally at Farm & Fleet. These large purchases, if using RaiseRight cards, could net you a big rebate \$\$\$\$.
- Buy cards for stocking stuffers, birthday gifts , teacher appreciation, etc. and your part of the rebate is applied to **YOUR** account.
- Ask grandparents, relatives, friends to buy cards in **YOUR** family's name and THEIR credit can be applied to **YOUR** account.

Check out ALL of the retailers that are available on the Raiseright Fundraising app or at <https://www.shopwithscrip.com>. The higher the %, the more money that can be applied to **YOUR** account. We have seen 18% at some retailers when specials are being run.

Unused balance on the cards is NOT lost, save the card and use the balance at a later time. DO NOT refill any of the cards directly through the retailer! That refill will NOT earn you a rebate. **Some** cards CAN be refilled through the SCRIP program and count towards your rebate.
