

Steamer Service Day

April 30, 2025

Parents/Guardians:

On April 30, Fulton High School will be participating in Steamer Service Day. This is an early release day so students will be dismissed at 12:20.

Why a service day?

It is important that students understand the importance of giving back to their community and this is a great opportunity for them to do just that. They will be able to decide where they would like to help. The biggest encouragement we need from you is making sure your child is in attendance so we can complete the projects we have on our agenda. Students will be able to use the day as volunteer work to put on future resumes or applications, as well as fulfilling Sauk IMPACT hours.

What will students be doing?

- Bike path cleanup
- FHS landscaping
- Local park cleanup
- Transportation building painting

What to bring

- Gloves
- Rakes
- Water bottles
- Sunscreen
- **Bug spray**

Safety first!

Fulton Police, Fulton Fire, and Public Works will be on hand for traffic control, to properly handle any hazardous waste, and disposal of all trash cleanup. River Bend will provide transportation, gloves, and safety vest for our students working within the community. Students will be receiving a survey that enables them to choose their work area.

We are looking forward to an incredibly successful and fun day with our students and staff. We will be offering a cookout style lunch within the school day. If you have any questions or concerns about your student participating, please contact Mr. Parsons at the high school.
