

FOR IMMEDIATE RELEASE

May 1, 2025

Constellation and River Bend Schools Announce Summer Learning Classes June 2–6 and One day trips offered throughout June and early July.

FULTON, IL — River Bend Schools, in proud partnership with Constellation, is excited to offer a week of Summer Enrichment Classes from **June 2 to June 6, 2025**. About 150 students in grades 4th through 8th will participate in this dynamic program which is designed to spark curiosity, build skills, and prepare students for a successful year ahead.

The Summer Enrichment Classes will include engaging hands-on activities, STEM-based learning, creative arts, culinary arts, and physical activities. With a focus on exploration and fun, the weeklong series aims to promote lifelong learning while providing a safe and stimulating environment for students. Classes will be held at River Bend Middle School, with transportation and meals provided.

Over 300 students will also participate in One Day Trips offered in June and early July. Students will experience a variety of trips which include 3D Printing, touring Field of Dreams, Medieval Times as well as several other fun exciting adventures.

“Constellation’s generous sponsorship allows us to bring meaningful learning opportunities to our students outside of the regular school year,” said Dr. Darryl Hogue, Superintendent of River Bend Schools. “This initiative is about keeping students inspired and connected over the summer break.”
